FOREWORD

This book is dedicated to you, the Hope College student. Take it, peruse it, and through the words and pictures included in the 1964 *Milestone*, capture the memory of the life that was yours during the past year at Hope College.

Let the symbolism of the cover speak to you as well. As a reminder that the year 1964 stands as a milestone at the edge of the past and the beginning of the future, the title of the book is placed where the blue and the brown of the cover meet. The sunburst can represent both the clear light of knowledge and the Heavenly light of inspiration; together they light the path into the unknown. Finally, let the colors of the cover remind you of the heritage of a Hope College education, which tries to focus both lights in the life of the student, so that he can face the future with confidence and trust.

COLLEGE LIFE

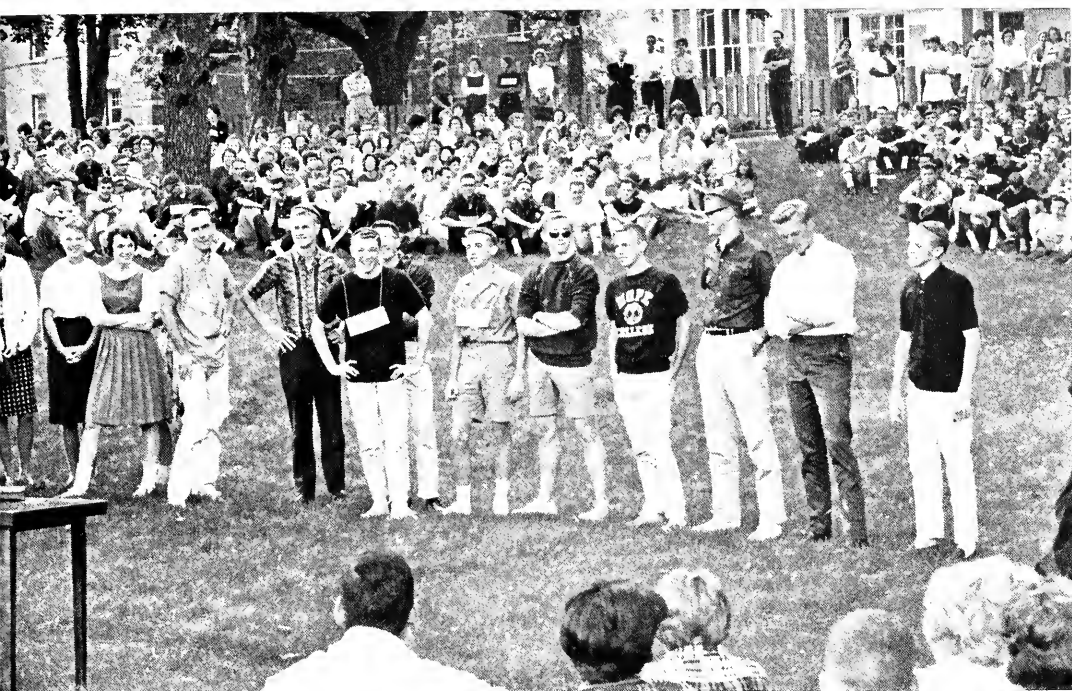

Green "pots" worn by green freshmen added color to the campus in September. After a week of gentle hazing by upperclassmen, the freshmen violators were brought before the Kangaroo Court, which meted out just sentences for all, including those guilty of being related to upperclassmen or faculty. As the Court adjourned, the freshmen were welcomed as a real part of the college family, and the college settled down to prepare for the Pull and Homecoming.

PULL

Shouts of "Rah-rah '66" and "Rah-rah '67" died away on the campus as supporters of the teams trekked to the banks of the Black River to view the ordeal of the Pull. Weeks of preparation were culminated as the holes were dug and the rope was stretched. The Pull began. Exclamations from fellow team members, constant encouragement from morale girls and the alternately vocal and mute support of the crowd combined with the actions of the coach to urge each to do his best. An hour and forty-five minutes later, the exhausted frosh followed the rope into the river to meet the victorious sophomores.

ALL COLLEGE SING

Delphis and Cosmopolitans walked off victorious in the 1964 All-College Sing, after weeks of preparation by all societies. Each group received a warm reception from the audience which filled the Holland Civic Center, but the most enthusiastic response awaited the special entertainers. Pre-award diversion was provided by the freshman chorus and by faculty "Bugs" VanderWerf, Malcolm, Granberg, and Jentz.

HOMEcoming

Elections for Homecoming queens, the last rush to complete the floats and house decorations, and the calls of returning graduates combined to make Homecoming a busy time. Queen Linda Selander reigned over the football game and the Homecoming Ball at the Civic Center.

MAY DAY

Hope College celebrated the coming of May with May Day activities of various kinds. Students elected junior Sally Kooistra to reign as queen, succeeding last year's queen, Karen Voskuil. Elected to the Queen's Court were Sandra Cady, Hope Beckering, Arlene Deitz, Joan Esther, Gail Grotenhuis and Kathy Van Kuiken. Freshmen women provided the Daisy Chain honor guard, as master of ceremonies Bill Van Hoeven announced the new members of Mortar Board. Sophomore women performed the traditional May Pole dance. For the men, the day brought the annual intramural track meet. In the evening the dinner and dance provided a memorable conclusion for May Day — 1964.

FESTIVAL PROMOTES THE FINE ARTS

The Fine Arts Festival in May capped a year of cultural activity by bringing together elements of the various arts—dance, poetry, drama, music and painting. The emphasis in this year's Festival was on the student, as the Little Theatre produced original student works, the 1964 *Opus* published its selection of student writing and art, and Dr. Edward Savage directed a group of students in Stravinsky's *The Soldier's Tale*. Members of the Performing Arts Company from Michigan State University brought their production of Ionesco's *Rhinoceros* to Hope. After a series of lectures and discussions, the Festival closed with a recital by guest pianist Roy Hamlin Johnson. Throughout the Festival, the home of the Vander Werf's was open to exhibit contemporary paintings.

The inauguration of Dr. Calvin Vander Werf as the eighth president of Hope College added academic pageantry and dignity to the 1963-64 school year. On the evening before the November 16 ceremonies, Dr. George Buttrick spoke to a student-alumni convocation on "The Nature of Truth." Dr. Vander Werf was honored at a pre-inaugural luncheon in the Phelps Hall dining room, as representatives of the Board of Trustees, faculty, student body, Reformed Church in America, city of Holland and the Alumni Association greeted Dr. and Mrs. Vander Werf. The inauguration ceremonies were held in Dimnent Memorial Chapel, where representatives from 130 colleges and various learned and professional societies took part in the procession. After Mr. Ekdal Buys, chairman of the Board of Trustees, gave the charge to the president, Dr. Vander Werf responded with his inaugural address.

AT THE HEART OF HOPE LIES WORSHIP

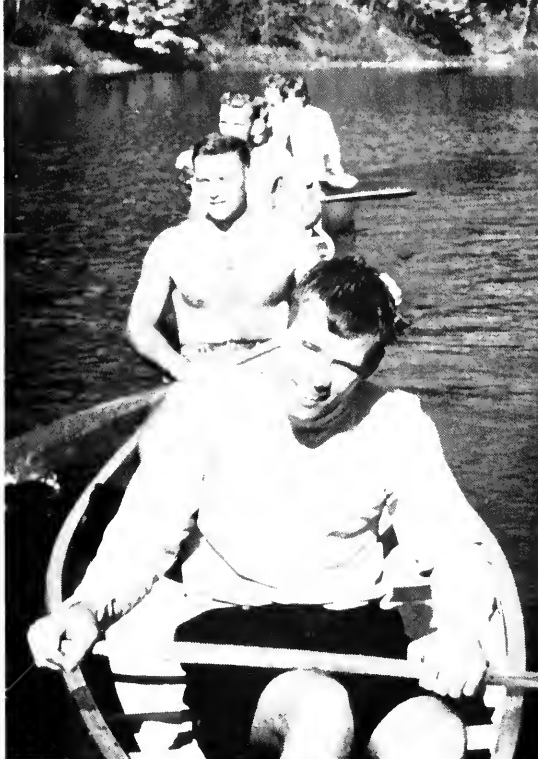

RENEWAL CAN

Students who attended the Geneva Retreat in September found an opportunity to "come apart for a while" before getting down to the steady work of a school year. Held at Camp Geneva on Lake Michigan, the retreat provided spiritual refreshment and physical recreation. Hope faculty members lead discussion groups and participated in the fellowship. Guest speakers were the Rev. Mr. Donald Buteyn and the Rev. Mr. Donald DeYoung. The retreat closed with a midnight Communion service, and students returned to the campus the following morning invigorated in spirit and body.

BE REVERENT

The brilliantly colored October forest formed an ideal backdrop for the canoe trip sponsored by the SCA. Approximately sixty Hope students traveled by bus to Muskegon River for five hours of canoeing interrupted by a hot dog roast at the halfway point. Some participants also enjoyed a chilly swim, but all returned to the campus invigorated by a renewed contact with the beauties of creation.

VIENNA PROGRAM PROMOTES TRAVEL

"Ich fahre nach Wien." With this bit of German and high hopes, students from Hope and other schools sailed from New York on their adventure with the Hope College Vienna Summer School program. After an introductory study tour, the travelers settled down in Vienna to

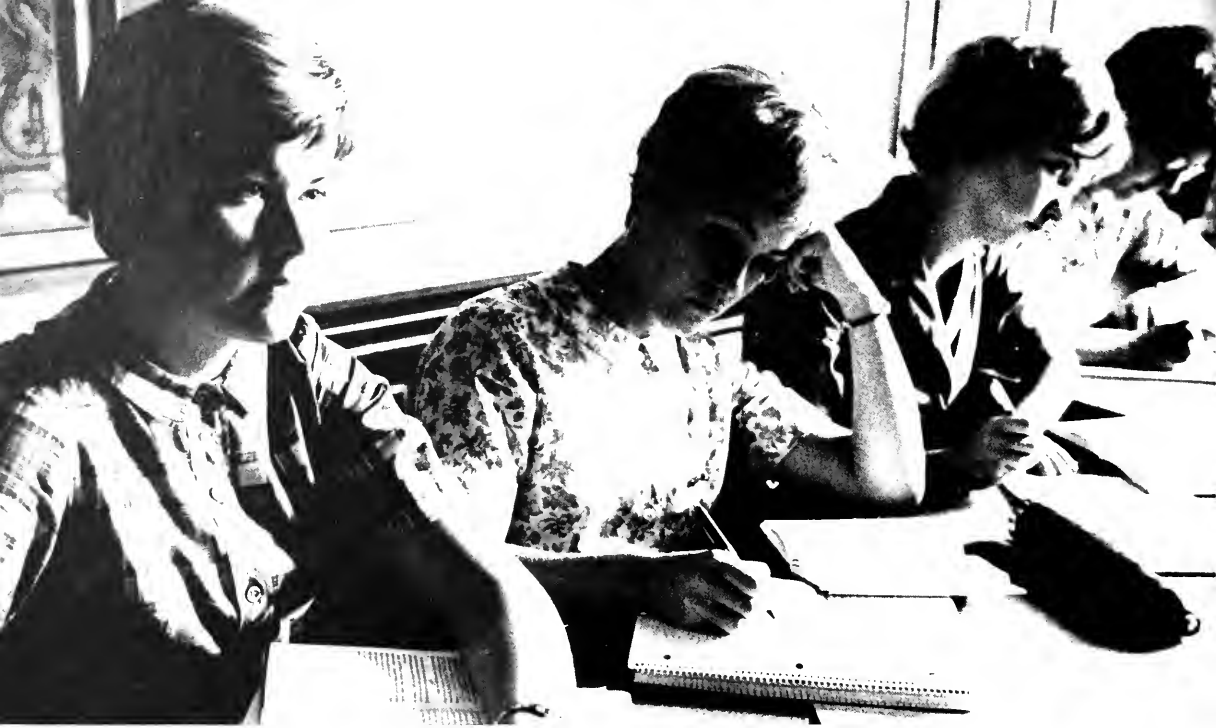

make the most of their opportunities to become acquainted with European culture while living for six weeks in a historic city. Under the guidance of director Dr. Paul Fried, the Austrian professors designed their courses to take advantage of the European setting. Living with

FOR LEARNING

Austrian families gave the students a chance to make their German courses come alive. After the closing banquet and convocation, each student traveled where he wished for almost three weeks. The group was reunited in Amsterdam, where each participant boarded the plane with a bitter-sweet "Auf Wiedersehen!"

TO WASHINGTON FOR EDUCATION—
OR TO THE SOUTH FOR VACATION?

Hope students also take advantage of opportunities for travel in the United States. Education is the goal of some of these students, as they spend one semester in Washington, D.C., to participate in the Washington Semester program at the American University. Here, they have the chance to acquire firsthand knowledge of the machinery of American government. During the past school year, Barbara Freggens and John Dryfhout spent the first semester in Washington, while Dick Emmert and Tom Straatsma studied at the American University during the second semester.

Other students make the traditional trek to Florida or Mexico only for the enjoyment of escaping from a Michigan winter and the prospect of forgetting the rigors of studies for a few short days during the Christmas or spring vacation periods.

GRADUATION COMES
AS A STOPPING PLACE
BEFORE BEGINNING ANEW

Graduation ceremonies marked the end of the school year. As parents and friends came to Holland, the seniors prepared to leave Hope College. On May 31, Dr. Howard Hageman of Newark, New Jersey, led the Baccalaureate service in Dimnent Memorial Chapel. Seniors gathered at the Civic Center on June 1 to hear Dr. Harlan Hatcher, president of the University of Michigan, deliver the Commencement address and to receive their coveted bachelor's degrees, the symbol of the culmination of one part of the process of becoming educated.

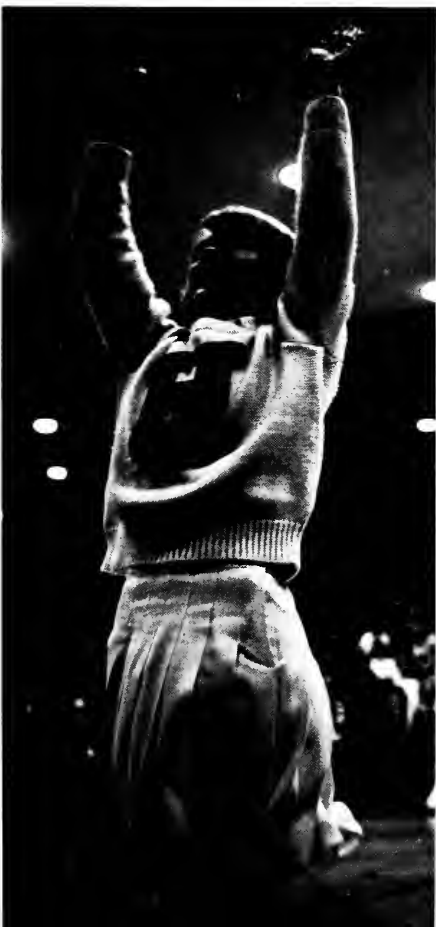

SPORTS

FOOTBALL

Hope's football team made it back to the top this year, after having shown promise for several seasons. The Flying Dutchmen tied Kalamazoo and Albion for the MIAA championship with a 4-1 league record, overcoming a slow start to record five consecutive victories to close out their 1964 campaign.

Once again, Hope had a leading passing combination, as quarterback Harlan Hyink and end Bill Hultgren were re-elected to the all-MIAA team. Center Fred VanTatenhove and Joe Kusak of the defensive team were also honored. Through graduation, Hope loses such stars as Van Tatenhove, captain Ken Quakkelaar, Chuck Veurink and Jim VanDam; however, Coach DeVette will have three all-MIAA performers returning, together with most of the rest of his team.

CROSS COUNTRY

Led by two exceptional freshmen, the harriers finished the season in third place behind strong Calvin and Albion teams. In all competition, Hope turned in a five-five dual-meet record. Runner Ron Bowman led the team in every meet, but fans also saw fine performances from Garry Peiper, Bruce Welmers, captain Vern Sterk, Glen VanWieren and John Nyboer. Although Coach Siedentop loses the four latter players through graduation, he has the nucleus of a good 1964 team with Bowman, Peiper and Dirck DeVelder, who missed most of the 1963 season because of an injury.

BASKETBALL

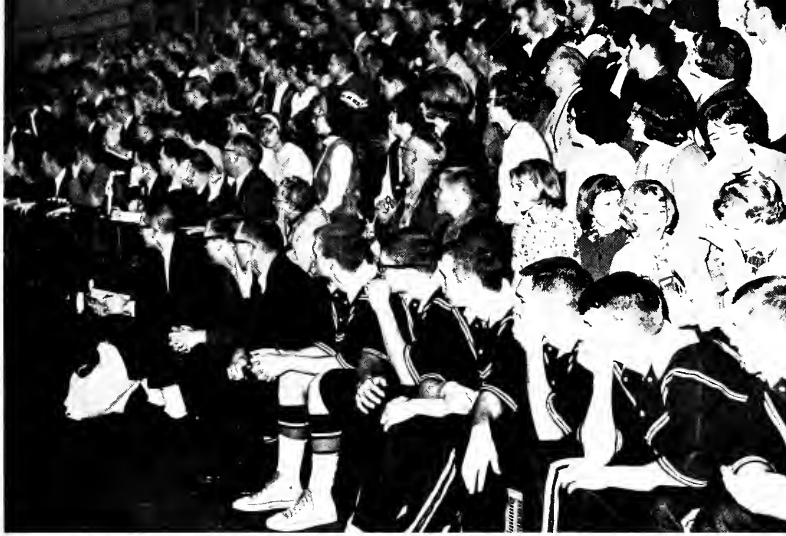

Hope's 1963-64 basketball season disappointed many fans who have grown accustomed to seeing the Flying Dutchmen win basketball championships as a matter of course. Nevertheless, despite an 11-11 record, the team provided followers with many thrilling moments, including a 127-119 overtime victory over powerful Alma.

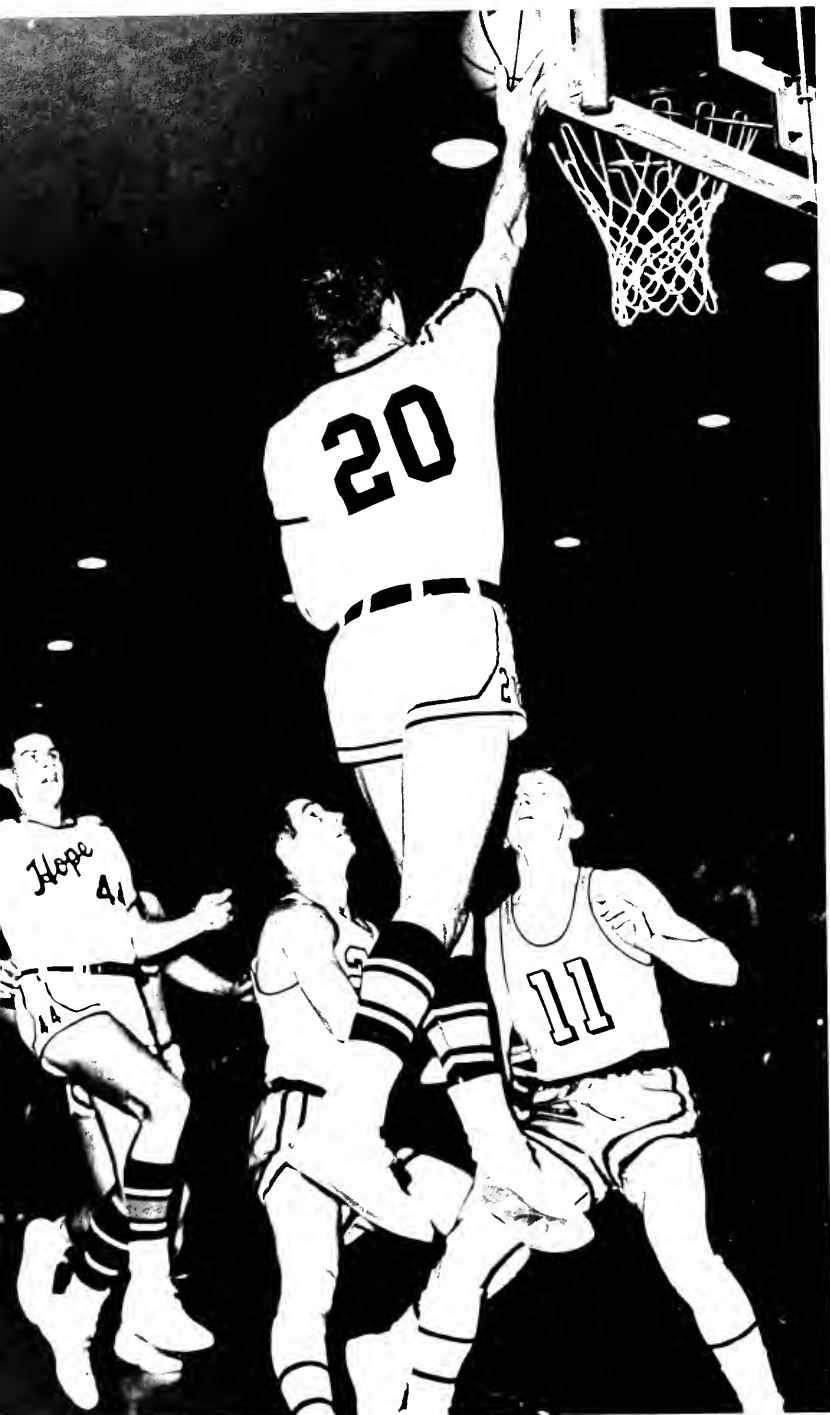

Throughout the season, the team was led by Ron Venhuizen's uncanny jump shot and the all-around play of Glenn VanWieren, who was named to the all-MIAA first team. VanWieren also won Hope's Most Valuable Player award. Other members of Coach DeVette's squad turned in crowd-pleasing performances on a number of occasions, and DeVette hopes to use solid returning players to build a team that will pick up the winning habit.

JUNIOR VARSITY BASKETBALL

Guided by Coach Daryl Siedentop, the Junior Varsity basketball team turned in a creditable record of seven victories and eight defeats. Early in the season, the team was led by Carl Walters, who was subsequently promoted to the varsity. Jim Klein was the leading scorer for the year with an average of 16.2 points per game. Other starters included Jerry Zwart, Menno Sytsma, Denny Weener and Dan Bakker.

TRACK

Hope's track men established several new records while finishing a solid third in the league standings. The mile relay team of Bill Hultgren, Gilbert Ogonji, Ken Carpenter and Dave Lane set a new MIAA record with the time of 3:25.4. Bettering all previous Hope performances, Bob MacKay jumped 6'3" in the high jump for a new school record. In the new events, Gary Holvick ran the 330 yard hurdles in 39.9 seconds, and the 440 yard relay team chalked up a time of 43.7 seconds. Coach Gord Brewer, who has many fine performers returning, is optimistic for another good track and field season in 1965.

BASEBALL

Bettering last year's tie for the championship, the baseball team swept to an undisputed first-place finish this year. After getting "warmed up" down south, the team returned to burn up MIAA competition. Undefeated, and allowing earned runs at the rate of one every three games, Joe Bosworth was named the team's most valuable player. Hope's potent hitting attack was led by Clare VanWieren, who was an all-MIAA first-team choice along with Bosworth. Ron Venhuizen and Glenn VanWieren were second-team MIAA choices.

TENNIS

Led by Byron Hopma, Craig Workman and Lance Stell, Hope's tennis team finished second behind perennial champion Kalamazoo, as Hope shut out all league competition except the Hornets. The Flying Dutchmen opened the season with a shake-down tour through the South during spring vacation and went on to defeat most of their regular season competition. Because of the youth of the team's leading players, Coach "Doc" Green looks forward to fine seasons in coming years. Other players on the strong and deep tennis team were Harvey Hoffman, David Nykerk, David Zwart and Jack Schrier.

GOLF

Under Coach Hilmert's guidance, the Hope golf team finished a respectable third in MIAA play. His most consistent players were Jim Wiersma, Bill Potter and Jim Thompson. With a strong crew of lettermen returning, the prospects for next year appear quite promising.

BLUE KEY

Since the Hope chapter's founding over forty years ago, Blue Key has maintained high standards and has made many fine contributions to the school. A national honorary fraternity, Blue Key is composed of members who have done significant work both academically and socially for their college or university. Their contributions this year include scholarship awards and the operation of the book store. Monthly banquets and the annual date night fill in the social end of the schedule for Blue Key members.

MORTAR BOARD

Members of the Alcor Chapter of Mortar Board are academically outstanding women from Hope College. This National Women's Honorary Society sponsors many events under its president Judy Christensen such as the Dean's List Tea, Apple Polisher's Banquet, and the Last Chance Speaker. But best known on campus is the American Film Program during the school year.

STUDENT SENATE

This year, the Student Senate operated under a new constitution that provided for a separate Student Court. In a move that prompted campus discussion, the Senate undertook affiliation with the NSA. Senate committees carried on the work of planning Homecoming, stimulating campus intellectual and social affairs, and arranging the schedule for the new Student Union. Dave Mouw and Mary Klein spent a busy year as the chief executive officers of the Student Senate.

STUDENT COURT

Guided by chief justice Richard VanderBorgh, the Student Court spent long hours wrestling with problems created by students who violated college rules or civic laws. In its first year of existence, the Court worked closely with the college administration in determining and enforcing punishments for various offenders, and the Court members tried a number of different approaches.

CHAPEL CHOIR

The Chapel Choir continued its tradition of providing outstanding choral music for Hope College. Besides participating in chapel services and special events on campus, the Choir, under the direction of Dr. Robert Cavanaugh, also sang in a number of churches in Western Michigan. The highlight of the year was the spring trip to the East, where the Choir sang at the Easter Sunrise Service in Radio City Music Hall in New York City.

CHANCEL CHOIR

The Chancel Choir, not pictured, is a choral group open to all interested students. Under the direction of Mr. Roger Davis, the Choir this year took a more active part in the daily chapel services, and it made its annual "Western Trip" to Third Church in Holland.

ORCHESTRA AND SYMPHONETTE

The Hope College Orchestra and Symphonette, both under the direction of Dr. Morette Rider, add to the musical life of the campus and community. The Orchestra, not pictured, played a number of concerts in the Chapel, some with guest artists, and also presented a Children's Concert at the high school.

Composed of selected players from the Orchestra, the Symphonette extends the range of Hope College musical activities by its spring trip each year. This year the group traveled to Utah and the West Coast, where it presented concerts in a number of churches.

Hope's orchestral groups also participated in the *Messiah*, Christmas Vespers, and other events during the school year.

BAND MEMBERS

BAND

Hope College Band activities included the Concert Band, the Marching Band, and the Pep Band. Director Robert Cecil provided a busy schedule for the band this year, as the band played various concerts at school and took a trip to the Chicago area to play at two high schools.

OPUS

Opus, fine arts magazine written and published by students of Hope College, is published in one or two issues each year to foster and recognize the creative efforts of campus artists, writers and musicians. An innovation in the 1964 issue is the recognition of photography as a creative art. Published in conjunction with the Fine Arts Festival, *Opus* appeared as part of a new tradition on our campus — the combination of the May Day festivities with the Fine Arts Festival.

WTAS

"The Anchor Station" thus completes what the staff hoped was its most exciting and advanced broadcast year to date. In an effort to project to a wider spectrum of the campus audience, WTAS maintained "balanced" programming under the guidance of a hard-working staff. In a year that brought a full-service news department into operation, saw an increase in total broadcast time, and included the "live" coverage of major sporting events, Radio 61 claims the title as "Mid-America's No. 1 College Radio Station."

ANCHOR

News and views fall within the area of the Anchor's interest. Editor Charles Menning piloted the weekly paper through a year that brought many developments of campus interest. The Anchor added a political column, and the paper was often larger than in previous years.

Stacks of pictures to sort and use, a slide rule for picture reductions, pages to lay out, and copy to write and proofread make up a Milestone staff member's work. DEBATE SQUAD

The Debate squad this year attended tournaments at Northern Illinois, Goshen College, Bradley University, University of Illinois at Chicago and DePauw University. There were also Novice Tournaments at Western University and Purdue University. But the highlight of the year was the National Pi Kappa Delta Tournament at Grove City, Penn., where the Hope squad placed second in sweepstakes against 25 other colleges from six states.

NCP

The National Collegiate Players or Pi Epsilon Delta is a national honorary society for students active in theatre. The coveted gold key of NCP is won by service to the theatre, upon recommendation of the local chapter and approval by the National Council. Work on-stage and back-stage in productions during the school years acquires points toward membership.

SPEECH HONORS

Membership in the Michigan Gamma Chapter of Pi Kappa Delta, the honorary forensic society, is based on achievement in the areas of oratory, extemporaneous speaking, public address, debate or discussion. Invitations are extended to new members during the course of the year when they have met the requirements for eligibility. Initiations come at the annual spring banquet. At the National Tournament, Hope members took second place in the convention forensics.

SPANISH CLUB

The purpose of Spanish Club is to increase knowledge of Spanish-speaking countries and peoples and ability to speak Spanish in both formal and informal situations. All meetings are held in Spanish, and a Spanish table in Phelps also helps members speak more fluently. Besides the Christmas Fiesta for the Mexican children and the Annual Hispania Fiesta in Ann Arbor, club activities consisted of meetings devoted to learning about Chile, Peru and Mexico.

GERMAN CLUB

The German Club this year presented a varied program for students of the language. It sponsored talks by German young people in the area, a Christmas party, discussion of German films, and a lecture by Swiss economist, Dr. Albert Hunold. Under president Tom Pool, the club promoted interest in the German people, their language, and their culture.

GERMAN HONORS

Delta Phi Alpha held its first meeting of the year on October 10, 1964 at Schnitzelbank, a German restaurant in Grand Rapids. The annual Christmas dinner was prepared by Mrs. Snow, the faculty sponsor, at her home on December 8, with Dr. Fried as a special guest. Ingeborg Bauer presented her thoughts on the German Christmas. The group sponsored the film "Buddenbrooks." Eleven new members were initiated at the Spring Banquet where the annual book award was presented to James Hawkins, president.

FRENCH CLUB

With the first meeting, a picnic at Kollen Park, French Club began a year of interesting speakers and meetings. Composed of all interested students in an advanced French course, the club stimulates interest in the history and culture of France and the speaking of the French language. Speakers, slides, panel presentations, and special holiday programs all helped to promote members' knowledge and interest.

SPIRITUAL LIFE

Periods of spiritual emphasis in February and April were the result of planning by the Spiritual Life Committee. The winter series included special chapel services with Rev. Ridder of the seminary and Dr. VanderWerf, president of the college, as leaders. Panel discussions, personal counseling, dorm discussions, and Communion completed the program. In April, the Rev. Mr. David Cargill visited the campus to speak on the theme "The Peculiar Ones." Also a part of the spring series was the film "Ikinu" and a special Communion service.

CLASSICS HONORS

Eta Sigma Phi is a national classics honorary fraternity which promotes and sponsors the study of the classics. This year the group tried to present programs which touched on all the vital aspects of classical culture, presenting speakers on topics ranging from medicine to art and music. The members entered two national classics contests and participated in a banquet with the Ottawa High School Latin Club.

RA'S

Preserving peace and quiet in college residences is only part of the job of a Resident Advisor. The RA must also aid the Head Resident in determining dormitory policy and in dealing with infractions of college rules. Since the RA's room is often the place where residents come for advice or conversation, the student Resident Advisor can play an influential role in the lives of those in his residence unit.

BIOLOGY HONORS

Under the leadership of Chuck Christensen, Beta Beta Beta, the biology honor fraternity, had an outstanding year. Members participated in an open house in the labs, a trip to Upjohn Co. in Kalamazoo, a talk by John Brunson on marine biology, and many other projects. They also attended the Tri Beta Convention at Bowling Green State University.

PRE - MED SOCIETY

The main purpose of the Michigan Beta Chapter of Alpha Epsilon Delta, the international premedical honor society is to give its members and other interested students an insight into the various facets of medical practice. Its monthly meetings feature movies pertaining to medicine or speakers representing specialized areas. Included in activities this year was a blood drive on campus and the national convention at the University of Kentucky.

CHEMISTRY CLUB

The Chemistry Club is the Hope College student affiliate chapter of the American Chemical Society. Members are chemistry majors who plan to go into teaching, research, or industrial chemistry. In addition to its monthly meetings, which feature speakers from the senior class and guest speakers, the club went on its annual trip to Dow Chemical Company. At the banquet in May, a special tribute was given to Dr. VanZyl on his retirement.

AWS COUNCIL

The AWS Council, headed this year by Arlene Arends, forms the women's governmental body at Hope. The body votes on women's rules, compiles the women's handbook, and administers the late-minute punishment. In addition, the Council maintains contact with Associated Women Students at other campuses.

ACTIVITIES BOARD

The AWS Activities Board sponsored many events including the Convocation Coffee, the Big-Little Sister program, International Night, May Day, the Mother-Daughter Banquet and Vohrees Day Tea. New this year were the Christmas Carol Sing, a style show and the AWS Activities Booklet.

IRC

With the help of advisors Dr. Fried and Professor Heine, the International Relations Club promoted better international relations by alerting college students to problems. Under the theme "Walls," the club this year presented many speakers on topics such as Berlin, the Negro revolt, migrants, Viet Nam, and other areas where problems exist. It also sent representatives to the Midwest Regional Workshops where they participated in a Puerto Rican seminar.

SEA

The Student Education Association provides future teachers with a better understanding of the profession, its standards and policies. This year for the first time, the SEA was under the faculty supervision of Dr. Duffy. Meetings presented various speakers and arranged educational experiences to provide insight into the teaching profession. A picnic, Christmas party, and the annual banquet rounded out the club's schedule. The SEA gives lasting rewards to those who participate in its many functions and in return receives the strength to fulfill its aims.

YOUNG DEMOCRATS

Newly formed this year, the Young Democrats began with a combined business and program meeting, electing officers and hearing Mr. Richman speak on what it means to be a Democrat. Topics of speakers at other meetings ranged from migrant work to reapportionment. Neil Staebler, Democratic candidate for Michigan governor, gave a highlight address.

BUSINESS AND ECONOMICS CLUB

Under a revised Constitution, the Business and Economics Club met to hear speakers on the various business fields. The group toured Consumers Power Co. and General Electric Co. and sponsored Dr. Kuno. Social activities for the club included the fall picnic at Dr. Klassen's and the spring picnic at Dr. Yntema's.

ALPHA PHI OMEGA

The Nu Beta chapter of A-Phi-O, a national service fraternity, has been very active around the campus. It sponsored an information booth during freshmen orientation, aided in class registration, ushered at school activities, held an all-campus blood drive, and arranged for an anchor for the campus. Also concerned about people outside the campus, members worked with Boy Scouts and helped build a house for fire victims.

SINFONIA

The Iota Omega Chapter of Phi Mu Alpha Sinfonia National Honorary Music Fraternity numbered thirty-eight active members this year and is dedicated to "the advancement of music and to the Brotherhood among men engaged in music activities." Special events for this year included sponsoring the Mitchell-Ruff Trio, "Winter Nocturne" dance, a lecture by the American composer Daniel Pinkham, an Ancient Instruments concert, and a concert of music for the Saint Cecilia Society of Grand Rapids.

"H" CLUB

Hope's "H" Club works to promote interest in sports events, and has as its main project the purchasing of new equipment for the Athletic Department. In order to raise money for this project, the lettermen sell programs at every football and basketball game. Those men who have earned a letter in any sport are eligible for membership in the organization.

IFC

The Inter-fraternity Council, composed of two members from each of Hope's five fraternities, experienced a busy year. Besides the ordinary activities of setting dates for rush, awarding the scholastic trophy, and acting as a liaison between fraternities, the Council established an all-Greek literary meeting to encourage the societies in the intellectual realm. In another important move, the ICF voted to cut short spring "Hell Week." IFC presidents this year were Dick Emmert and Bill Brauer.

Alpha Phi's began another year by braving chilly weather at the annual fall house party on Lake Michigan, with the usual high spirits and lack of sleep. A joint Halloween party with Arkie brothers followed a few weeks later. Fall rush and informal initiation kept both pledges and activities busy outwitting one another, but the contest ended when the twenty-eight pledges were formally initiated at the Eten House. Homecoming activities included the float and the annual Alumni Luncheon, with Alpha Phi Linda Selander reigning as Homecoming Queen. Once again, Cascade Country Club was the setting for the winter formal, "Winternachtstraum." For the All College Sing, Alpha Phi's chose "Granada," directed by Ann Gardner. Spring events included the spring rush "Roaring Twenties," an informal, and a house party. A new service project, work at county homes, concluded the year's activities, as Alpha Phi's once again strove to prove their motto, "Friendship our Anchorage."

Delta Phi's carried off the victory banner at Homecoming with their float "Chou Time" and also rated first place in the All-College with "It's a Big Wide Wonderful World." As a service project they made puppets for children at City Hospital. The formal "Cupid's Beau" was held at Morton House in Grand Rapids and the informal "Carnival" — complete with clowns, cotton candy and noisemakers — at Sleepy Hollow. Other social activities included a fall houseparty, homecoming luncheon, and date night with square dancing and pumpkin carving in a barn. The final farewell to the seniors was a treat of the officers and brought the year for the Delta Phi's to a fitting close.

For the Dorians, the year began with a house party at Tim Buck II. They initiated their new sorority room in Gilmore Hall with fall rush. At Homecoming time, Dorians built the "Ten Gallon Victory" and welcomed alumnae at a luncheon. Date night featured an evening of "dune-schooning" at Goshorn. Carrying out its traditional service projects, the sorority sponsored a needy family at Christmas and participated in the Muscular Dystrophy Drive with other Hope societies. After the pre-exam pizza break at Il Forno's, the members of Kappa Beta Phi worked to make their winter formal, "Soirée Parisienne," an enjoyable night. Ann Collins led the Dorians to "Wonderful Copenhagen" for the All College Sing. The year's activities ended with an ice cream social, spring rush, the informal at Carousell Mountain, and the spring house party, at which the Dorians bid farewell to fifteen graduating seniors.

Kappa Delta Chi began its second year with the "Show Boat" steaming around the bend for fall rush. Homecoming was the next big event, and Big-Chief-Sit-on-Bulldogs was ready for the parade. Formal initiation and a luncheon followed. November found the Kappa Chi's and their dates enjoying a night on the dune schooners. In February, sea shells, fishnets and soft blue lights were the setting for "La Fond de la Mer," the winter tormal. Kappa Chi's literary meetings were visited by Miss Hellenga and Rev. Arthur Jentz. Spring rush, "Impressions," the informal, and a house party concluded a busy second year for Kappa Delta Chi.

Operating from a new room in Gilmore, the Sibyllene sorority had a busy year. Social activities included a homecoming banquet, house party and date night. The winter formal "Interlude" was held at the Cascade Country Club, and was as big a success as the spring informal. Rev. Hillegonds spoke at one of their meetings, and another meeting was a joint meeting with the Knicks. But their calendar included events other than social activities. In the service area, Sibs gave a Christmas basket to a needy family and aided in the Muscular Dystrophy drive. The year ended in a solemn farewell to senior Sibs who were leaving along with an anticipation of a good year next year.

Endeavoring to seek the highest and to strive for the best, Sorosites made fall a busy time. There were the traditional events, such as the Homecoming luncheon, the pledge dinner at Il Forno's, the spaghetti dinner, and the date night at the Rathskellar. New activities also contributed to the lively first semester, as the Sorosites planned a rush party with the Fraters and a Christmas party for underprivileged children. "Liberstraum," the Winter Formal, was held at the Morton House in Grand Rapids. After this event came the All College Sing, in which Sorositis claimed second place with "Holiday Song." Spring, with its many Rush functions, the alumnae meeting, the Informal at the Castle, and the "Farewell to Seniors" picnic, brought to fulfillment another active year for Sigma Sigma.

CHI PHI SIGMA

Arcadians made the school year 1963-1964 a year for gathering trophies. Their winning ways began in the fall, as they won first place in the fraternity division at the Homecoming float contest. Later in the semester, the men of Chi Phi Sigma carried off the fraternity academic trophy. They also received the academic trophy awarded during the second semester. In May, the Arkies brought the year to a triumphant close by winning the fraternity athletics trophy. Social activities were another important part of Arcadian life, as the men of Chi Phi Sigma enjoyed house parties and rush parties in their new living quarters. In addition, they also looked forward to the winter formal, "Winter Wonderland" and the spring informal, "Spring Rain." As their service project, the Arcadians continued to support a Greek orphan. A large spring pledge class increased membership to more than 90, and the graduating seniors trained the new brothers to uphold fraternity traditions such as the Arkie pinning ceremonies and serenades.

KAPPA ETA NU

With the coming of this school year, the Knicks moved into their new residence and prepared for another year of fun and fellowship. Living together for the first time, the Knicks achieved closer ties and greater organization. The Knicks made a fine showing with their homecoming float called "End of the Trail," then won honorable mention in the All-College Sing with "Oh, You Beautiful Doll." Other areas in which the Knicks were active include intramural sports and service projects. The highlight of the social year was the Knick formal, "Wonderland by Night" at Carousel Mountain. After a successful rush highlighted by the traditional Gold Rush party and an Open House, the Knicks are looking forward to next year with the new members making important contributions of individuality and sportsmanship.

OMICRON KAPPA EPSILON

With their new dorm, furnished in the Fraternal tradition, as headquarters, the Fraters had an active year. They first had the alumni dinner during Homecoming at Van Raalte's of Zeeland and the September literary meeting with Frater alumnus President VanderWerf. In the service area, Fraters helped to make the muscular dystrophy drive the success it was. They made a fine showing in the All-College Sing and a successful intramural program climaxed by May Day. Both the fall and spring rushes had good pledge classes, and as the Fraters say, "A good pledge class makes a good army night." Social highlights were the "Frolics" in the fall, the winter formal "Duerme" in Grand Rapids, and the spring informal at the Muskegon Country Club. Their swan song was the last Fraternal meeting of the year, a solemn tribute to graduating members, a review of the year's events, and an anticipation of the next year's activities.

PHI KAPPA ALPHA

Upon returning to school in the fall, the men of Phi Kappa Alpha found a new dormitory environment awaiting them. Filled with great expectations for the coming year, they found that the new surroundings provided a strengthening of the ties of brotherhood in friendship, truth, and progress — long cornerstones in the Cosmopolitan tradition. The end of first semester brought the winter formal, "Days of Wine and Roses," which was held at the Red Carpet in South Haven. Trophy time appeared in March as "Sweet Kentucky Babe" won first place for the men in green and white in the traditional All-College Sing. The month of April marked the formal initiation of 22 new members at a banquet at Van Raalte's. The highlight of the event was the formal initiation of Dr. D. Ivan Dykstra as an honorary member. The end of the year brought the spring informal in May, and the Cosmos once again a prime contender for the All-Sports trophy. As the seniors left, they took with them many memories of college years and fraternity activities.

PHI TAU NU

The school year 1963-1964 brought increased ties of brotherhood and a strengthened membership to the Emersonians, as they took in almost 30 new men during the year. Fall brought the Homecoming activities including construction of "Hope Brands the Bulldogs," fall rush, and the beginning of inter-fraternity sports competition. During the winter, Emersonians and their dates enjoyed "Gypsy Holiday," the winter formal. Practice soon began for the Sing, where Peter Paulsen led the members through "The Halls of Ivy." Spring rush also occupied a number of evenings, but Emersonians were glad to initiate the new men and welcome them as brothers. With spring came the informal, "Younger than Springtime," at Carousel Mountain, and the final events in sports competition. As the Emersonians bid farewell to graduating brothers, they looked back on a year together—a year of house parties and formals, of keen competition in sports and music, and of late study nights and bull sessions.

ADMINISTRATION AND FACULTY

COLLEGE PRESIDENT

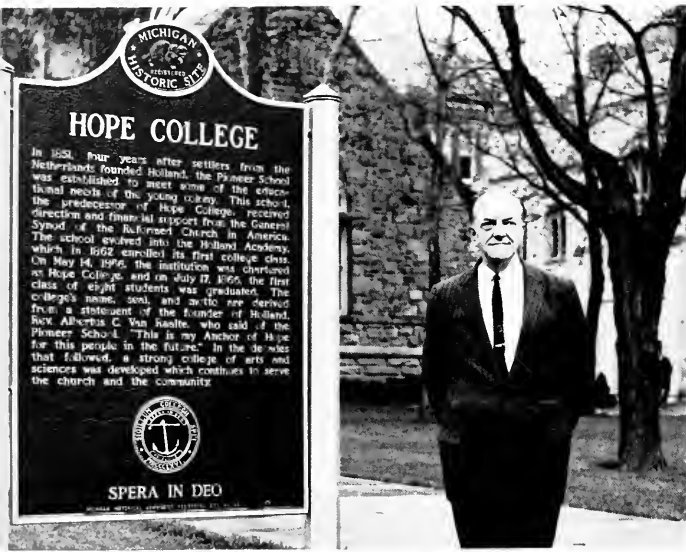

"In deep humility, but also with a high sense of exhilaration, I dedicate all the talents and energy I possess to the task of providing leadership in fostering the climate which will encourage the faculty and students to grow together as a community of free and consecrated scholars, in the high tradition of Hope College." These words from Dr. Calvin VanderWerf's address at his inauguration as the eighth president of the college have typified his first year of leadership. Not only has he devoted his time and energy to fostering the continued excellence of Hope College, but he has also shared his busy days with students, listening to their problems and ideas. In a short year, he and his lively family have made themselves a welcome addition to the whole college community.
